

## EXPERIENCED PELVIC HEALTH PHYSIOTHERAPIST

Are you an experienced Pelvic Health Physiotherapist looking for the next step in your career or a move into private practice? This could be the role for you.

Our fantastic Pelvic Health Physiotherapist is moving back to Australia, creating this opportunity for an experienced Senior Physiotherapist to join our team at our busy and well-established practice in central Hamilton.

In this role, you will see a range of pelvic health conditions including incontinence, prolapse, sexual pain, obstructed defecation, chronic and pregnancy-related pelvic pain and more.

This is a part or full-time position with flexible hours. The ideal candidate will be happy to manage a caseload with a mix of pelvic health and general musculoskeletal physiotherapy. We are seeking candidates with at least five years' experience and post-graduate qualifications would be an advantage, though not essential.

### Who are we?

- Well-established private practice located in central Hamilton.
- Established pelvic health caseload, referral network and equipment / supplies.
- Large, friendly team of experienced senior physiotherapists and hand therapists.
- Part of Anglesea Sports Medicine - located together with the country's top sports medicine doctors and alongside hand therapists, podiatrists, orthopaedic surgeons, radiology and Anglesea Clinic A&E.

### What you can expect?

- Dynamic and interesting role and established Pelvic Health caseload.
- Support from a brilliant, full time administrative team.
- Professional, fun and supportive working environment.
- Personalised professional development programme to continue to nurture and grow your skillset, including an annual professional development award.
- Attractive remuneration package including funding for your registration, your professional insurance and membership to PNZ.
- Funding towards relocation costs is available for the right candidate.

Start date – June 2019 (flexible).
